Welcome to the Kayak Essentials Members' Area!

We're delighted that you've joined, or are planning to join, our Kayak Essentials Members' Area. We started this project during Lockdown in 2020 and are busy creating excellent information resources for paddlers, coaches, leaders and guides.

We produce videos, podcasts, articles, presentations and discussions covering a wide range of topics - coaching issues, leadership skills, planning / navigation tools, and boat handling skills. Some resources are freely available, while many others can only be accessed via our Kayak Essentials Members' Area.

The monthly cost is only £3.60 - you will access 5 free days, after which you'll pay a maximum of £3.60 / month, for as long as you wish to remain with us.
